- Strong organizational skills with the ability to work effectively and independently
- Excellent communication skills
- Strong attention to detail and assessment skills
- Ability to work effectively as part of an interdisciplinary team
- Ability to establish and maintain effective working relationships with others and across teams
- Excellent interpersonal skills with the ability to communicate clearly
- Computer literacy including skills in word processing, e-mail, PowerPoint, Excel, and Electronic Medical Records
- Willingness to participate in ongoing Indigenous teachings and ceremonies
- Valid Ontario Driver's "G" license, personal auto insurance (at least 3 years experience) and clean driver's abstract
- Obtain/ maintain a current and satisfactory police check as a condition of employment

- Up-to-date immunizations and records

Responsibilities:

- Provide comprehensive primary care services to clients of all ages, including primary prevention, health education, comprehensive physical exams, chronic disease management, antenatal care, and acute/episodic visits
- Conduct on site assessments, as well as telephone and outreach visits
- Advocate on behalf of clients with regards to equitable access to traditional healing and western health services
- Review client laboratory results, procedure reports and consultation notes
- Arrange appropriate follow up/referrals as required
- Document all client contact and ensure all client information is kept confidential at all times
- Maintain close collaborative working relationships with other allied health professionals
- Work in collaboration with other health professionals to ensure a broad range of services are available to clients
- Consult with physicians as needed regarding issues that are outside the NP scope of practice
- Collaborate with community partners to offer outreach services as required

This job may require additional responsibilities and duties as assigned by Southwest Ontario Aboriginal Health Access Centre.
