Working at Fanshawe College

Fanshawe College is committed to the principles of hybrid work and may offer this option to employees whose work can be performed in an alternate location, without adverse impact to the operations of the College, inclusive of our Student and Staff experience. Confirmation of hybrid work options available to you will be clarified upon hire and may be subject to change based on the duties required of your position. Successful candidates will be required to perform work within Ontario and must be available to work on campus, as required.

Note: This is a full-time Support position (35 hours per week).

Duties: Under the general supervision of the Lab Operations Manager, Faculty of Science, Trades and Technology – Labs, the incumbent provides technical support and assistance to staff, faculty and students in the daily operations, maintenance, organization and implementation of electrical machinery (AC and DC), pneumatics and hydraulics systems, PLC/HMI, Robotics and mechatronics systems in the School of Applied Science and Technology.

The incumbent will also service and repair tools and equipment in the School which may include ordering/purchasing of parts. Designs and builds training aides.

QUALIFICATIONS

- Post-secondary 3-year diploma/degree in Electrical Engineering or Instrumentation Technician or equivalent
- Minimum 5 years' related experience with design, development, installation, commissioning, operation and maintenance of electrical machinery (AC and DC), pneumatics and hydraulics systems, PLC/HMI, Robotics and mechatronics systems or combination of experience
- An equivalent combination of education and experience may be considered
- High knowledge level in Electrical (AC and DC) and mechanical principles
- Demonstrated understanding of the Ontario Electrical Code
- Demonstrated strong organizational skills, time management skills and attention to detail
- Demonstrated ability to multi-task and work independently
- Demonstrated excellent verbal and written communication skills

While transcripts are not required for the interview, they are mandatory prior to any offer of employment.

How to Apply:

For more information and how to apply, please visit the Fanshawe College website at: <https://jobs.fanshawec.ca/>

We thank all applicants for their interest; however, only those chosen for an interview will be acknowledged.

Fanshawe College is an equal opportunity employer. We are committed to equity, value diversity, and welcome applicants from diverse backgrounds.

Fanshawe College provides accommodations to job applicants with disabilities throughout the hiring process. If a job applicant requires an accommodation during the application process or through the selection process, the hiring manager and the Recruitment Coordinator leading the recruitment will work with the applicant to meet the job applicant's accommodation needs.
